Discovering *God's Gift* For You

Have you ever wondered what Christianity is all about? Questioned whether God loves you, or whether He's even real? Wanted to know who Jesus is and why He came to earth? If so, we are so glad you have picked up this booklet!

This study is designed to be used as a support to guide you through understanding God's Word and discovering the wonderful gift He has waiting for you. We recommend that you use a version of the bible that is written in uncomplicated English, such as the New American Standard Bible, English Standard Version, or Holman Christian Standard Bible. Make sure your bible includes both the Old Testament and the New Testament. Before you begin, ask God to help you understand what He is trying to say to you through His word, and read the given verses with an open heart. After your initial read, take your time working through the questions - all the answers can be found in the verses you are reading.

We pray that, as you work through this study, God opens the eyes of your heart to His great love and mercy, and the good gifts He offers to all who believe.
